- a. Password need not to be so complex (minimum 8 character that should be the only validation until unless bank security as a concern) need to discuss and no need any action now
9. As a new user, I selected the product and click on buy now, it asked me to create account once I created account it taken me to below screen, customer lost here. It should land the Cart screen
- a. No record find please standardize Will provide the content
  - b. The vat amount and total need to be checked, not correct will discuss

The screenshot shows a user account page for 'thayeeb patillath'. The user is signed out. The page has a navigation menu with 'Boys', 'Girls', 'New Born', 'Indoor Toys', and 'Outdoor Toys'. There are also links for 'Shop More', 'My Account', and 'Log Out'. The main content area is divided into two columns. The left column contains links for 'Order', 'Address', 'Wishlist', and 'Profile'. The right column is titled 'Your Orders' and contains a message: 'Please see your order and the order status'. Below this message is a purple bar with the text 'No Record Found'. There is a 'Back to Home' link in the top right corner of the main content area.

10. When entering address:
- a. The instruction should be slight grade out, it look actual data now
